November Edition

A warm welcome to our November newsletter. As we are now using ClassDojo, this letter will be much briefer than in the past. For photographs, information about events and locality adverts, please log into ClassDojo. You are welcome to comment on posts and join in!

This term, we have been focusing on the theme of 'joy' and working hard to do lots of exciting things that make us happy. In that vain, here are some examples:

- *The hedgehog visit in Beatles*
- *The dinosaur workshop in Wonder*
- *The Egypt VR experience in Marley*
- *Bike-ability in Franklin*

Hopefully, you will have seen some of the photographs of the above on ClassDojo.

Thank you, as ever, for being such a wonderful and supportive Community. It really helps.

Take care,

Will

Attendance

A new attendance policy is on the way! Please keep trying hard to ensure your child attends school. Every day matters.

Our target: 95%

Our current attendance: 99% (amazing!)
