Primary School

Why choose Thakeham Primary School?

What we offer that no other local school can

Thakeham Primary is unique in the area! Why? Because, we offer a small-school setting but in a large Primary school environment.

Our Culture and Ethos

Our ability to know and nurture our pupils is our unique selling point. We really do know each of our 105 pupils well and they know us! This means they feel safe and looked-after. Plus, we can teach, excite and challenge them in a way a large school cannot.

Our Setting

We have: a modern recently refurbished building; a full school gymnasium; a swimming pool; our own forest school area; a large football field; large modern classrooms; a new library and intervention zone; a full cookery suite; a set of gardens looked after by our pupils; an allotment tended to by the classes; and a wide range of animals, such as our two school dogs!

Our Unique Selling Point: NEED, NURTURE, KNOWLEDGE

- **Need:** our size and staff make-up means we meet every need.
- **Nurture:** our small size means we can know our pupils well.
- **Knowledge:** we are an experienced staff who really do care!

Our EYFS is the best because...

1. **Maximum of 15 children (not 30+ like others)**
2. **Three teachers just for the EYFS Class**
3. **Large setting with own outdoor area**

“My favourite thing about Thakeham is that it is a Community. I know every adult will help me, I have so many friends and I know everyone cares.”

Our promise:

We put the child **first**.

We listen to you and include you.

We make sure to think of the **whole child** and teach a **broad curriculum**.
