House Points:

Every child in school is part of a House Team. The children can be awarded house points throughout the week for different achievements. The points are added together with all of the house points achieved throughout the school and a House Cup is awarded each week to the House with the most points. Each House name was picked by the school council, thinking about the qualities of each Super Learning Hero. The children in Beatles class are in the following houses:

Rashford	Rosen	Parks	Malala
Louis Tommy George Reuben	Elliott RJ Daisy	Isla Naia Dimi Jack	Douglas Bradley Elsie Una

Ways that you can help your child at home

Daily home reading with your child. Please share their home reading book with them and record each read in their yellow reading record. This should be returned to school daily to enable us to track home reading and change books regularly. Please also continue to share other books of your child's choice including stories, fact books and poems to help develop your child's love of reading.

You can also help by keeping us informed of any learning that is happening at home using the WOW certificates that we will be starting this term.

Helping your child become more independent with using a knife and fork and dressing undressing themselves will enormously help your child at school.

Thank you for your support, if you have any questions/queries please do not hesitate to contact Mrs Stender or Mrs Usherwood.

Beatles staff

Mrs R Stender (Class Teacher M-W)
Mrs C Usherwood (Class Teacher Th-F)
Mrs A Devereux (Learning Support M-F)

Please remember...

PE will be on a Wednesday. Please ensure your child comes to school in PE kit on this day. Please also ensure all of their kit (and uniform) is **named**.

Home Learning if isolating

If well enough and if your child needs to access Home Learning set by the class teacher when isolating, please look on Tapestry.
