## Welcome

Dear All,

So we come to the end of another Spring term and it has certainly flown past! We were honoured to have had a visit from the amazing Nick Butterworth, author of the much-loved Percy the Park Keeper books among others, over 10 million copies sold worldwide – wow!!!

The children sang beautifully at the March Music Festival, many thanks especially to Mrs Hopkins for the many hours of rehearsals! The children were a credit to you all 😊

Please see some information further down in the Newsletter about a Bags of Support collection arranged by FoTS for after the Easter break (collection on Weds 17<sup>th</sup> April), a perfect opportunity to do some Spring cleaning whilst supporting a great cause!

Don't forget to sign up for summer clubs and the new Saplings wraparound care provision!

There are also plenty of egg-citing events and activities happening over the Spring break, so please check out all the offers in the Local Adverts section.

Have a great Spring break!  
Best wishes from the Thakeham Family.

## Attendance Figures

Thank you for your support in helping our pupils to see the value in each and every day at school. We track attendance because only a little missed can have a huge long-term impact on a child's progress. **Our target is 97%.** Current attendance percentages for the new academic year to date are:

Beatles Class: **97%**

Wonder Class: **97%**

Marley Class: **96%**

Franklin Class: **95%**

## Our School Values

**CARE – COURAGE – AMBITION – RESPECT – ENJOYMENT**

These are the values that drive our school. They feed into how we learn, how we act with one another, how we teach, how we handle our pastoral elements; so much of what we do! So, it is important we remember them. Our Super Learning Heroes relate directly to these and are how we make our values child friendly. They all come under our new, 'Thakeham Way'.

## Time to Shine!

Please see below for some exciting news from our community. We are so proud of everything our pupils do and want to share!

Monday 22<sup>nd</sup> July 2024

Tuesday 23<sup>rd</sup> July 2024

FoTS have organised a Bags of Support collection for **Wednesday 17<sup>th</sup> April**.

Please bring any filled bags to the Excess Hall at drop off or pick up from Monday 15<sup>th</sup> April right up until drop off on Wednesday 17<sup>th</sup> April. Let's raise some funds for the school and support a very worthwhile cause at the same time! Please see below for items they can collect. Thank you in advance for your support.

### **BAGS OF SUPPORT**

Bags of support was set up in 2012 when the founder Karrie Mellor was chair of her children's primary school PTA. She had been sending clothes to Turgu Mures orphanage in Romania and wanted to have access to a wider variety of clothing to be able to support the orphanages additional children.

Karrie also wanted to find a sustainable, ethical way for the PTA to raise funds that didn't always include asking parents to dip into their pockets or bake a cake! Her school initially used one of the large commercial recycling operations but to help meet the requests from the orphanage she decided to start her own clothes recycling operation. When all her competitors dropped their prices to 35p and below per kilo – Bags of Support continued to offer 50p per kilo.

Bags of Support believes strongly that it is imperative that we teach our children the importance of recycling and has teamed up with Multi award winning Sussex Green Living : [www.sussexgreenliving.co.uk](http://www.sussexgreenliving.co.uk) to provide schools assemblies encouraging recycling and promoting a more sustainable way of living.

**We can take reusable Clothing/ Shoes / Handbags / Belts / Bedding (not duvets or pillows) .**

Aside from the donated Clothes we directly distribute as Aid in Nkuringo, Uganda , the remainder of clothing we collect is sold on in the UK , encouraging the re- use of clothing. If everyone in the UK (63 million people) bought one reclaimed woollen garment each year, it would save an average of 1,686 million litres of water and 480 tonnes of chemical dyestuffs.

Support

## NKURINGO , UGANDA

Bags of support finds homes for unwanted re-usable clothing – Karrie and her children regularly distribute Clothing and other textile aid to the Nkuringo community in South Western Uganda where in addition , Bags of Support pays for the Education, Board and Lodgings of some of the children.

**LIFE ABOVE THE TUNNEL**

**By DAVID PORTER**

**APRIL 2nd at 7.30 p.m. at Storrington Museum,**

**The Old School, School Lane, Storrington, RH20 4LL.**

David has lived at the Clayton Tunnel North Portal, which is 7 miles outside Brighton, since 2003. After clearing the land of decades of rubbish and cutting back the rampant vegetation that seeks to overcome the cottage, he has sought to bring the story of this unique building to the attention of a wider audience through talks and the occasional tour.

David is an experienced public speaker and, during his day job, works as a freelance fraud investigator. In this talk he explains this Gothic folly's historic origins and features a bold Victorian architect, plucky railway families, all manner of flora and fauna, railway disasters, secret passages and a few ghosts.

Venue: Old School, School Lane, Storrington RH20 4LL.

## Autism and Social Communication Advisory Team

### Exploring Autism for Parents and Carers

A new and updated programme  
offering up to date thinking and links  
to research-based evidence for parent  
carers of autistic children  
and young people.

Sessions to explore Autism and strategies to support acceptance, empowerment, and relationships in family life.

Are you a parent/carer of a child or young person, aged 8-16 years, who is autistic or on the social communication pathway and have not attended this course before?

This NEW programme has been redeveloped to ensure that it is current and up to date. The course is an excellent source of information for those new to Autism or for those requiring a little more in-depth knowledge. Parent carers and the facilitators will learn and collaborate together. The programme is free of charge to families of children in West Sussex maintained schools and academies, at this time.

#### Course aims:

- to give a broad and balanced and positive view of how autism and social communication differences may impact on the child/young person's life and that of the family.
- to explore key practical strategies that can support autistic children.
- to provide a forum for families to share their experiences and expertise together.

#### Course outline:

The six sessions will be focused on both theoretical and practical aspects of autism and the resulting strengths and challenges. These recorded sessions can be watched when convenient to the family, followed by the one hour weekly group meeting. This provides opportunity to participate in discussions and ask questions via an online platform. We ask that parents attend each of these weekly online discussion groups.

In order for participants to fully benefit from this course we ask that they attend **all** sessions.

#### Topics covered by session:

##### Session 1: Autism Acceptance

Develop understanding of autism, discuss experiences of getting a diagnosis and identify how autism can affect families.

##### Session 2: Communication

Develop understanding of communication difficulties and strategies to improve communication and interaction skills for the autistic child/young person.

##### Session 3: Sensory Needs

Consider how sensory information and experiences may be processed differently by those who are autistic, share strategies to help with sensory differences.

##### Session 4: Anxiety

Improve understanding of the signs of distress that autistic young people may display and consider approaches to support self-regulation.

##### Session 5: Social Thinking and Masking

Explore the differences autistic young people may have with socialising and developing relationships. Look at ways to develop social thinking, explore the idea and impact of masking.

##### Session 6: Adolescence and Independence

Consider ways to encourage independence and manage adolescence challenges including puberty, sensory impact and social differences.
